AMERICANS IN PARIS

MAY 12 - 24, 2018

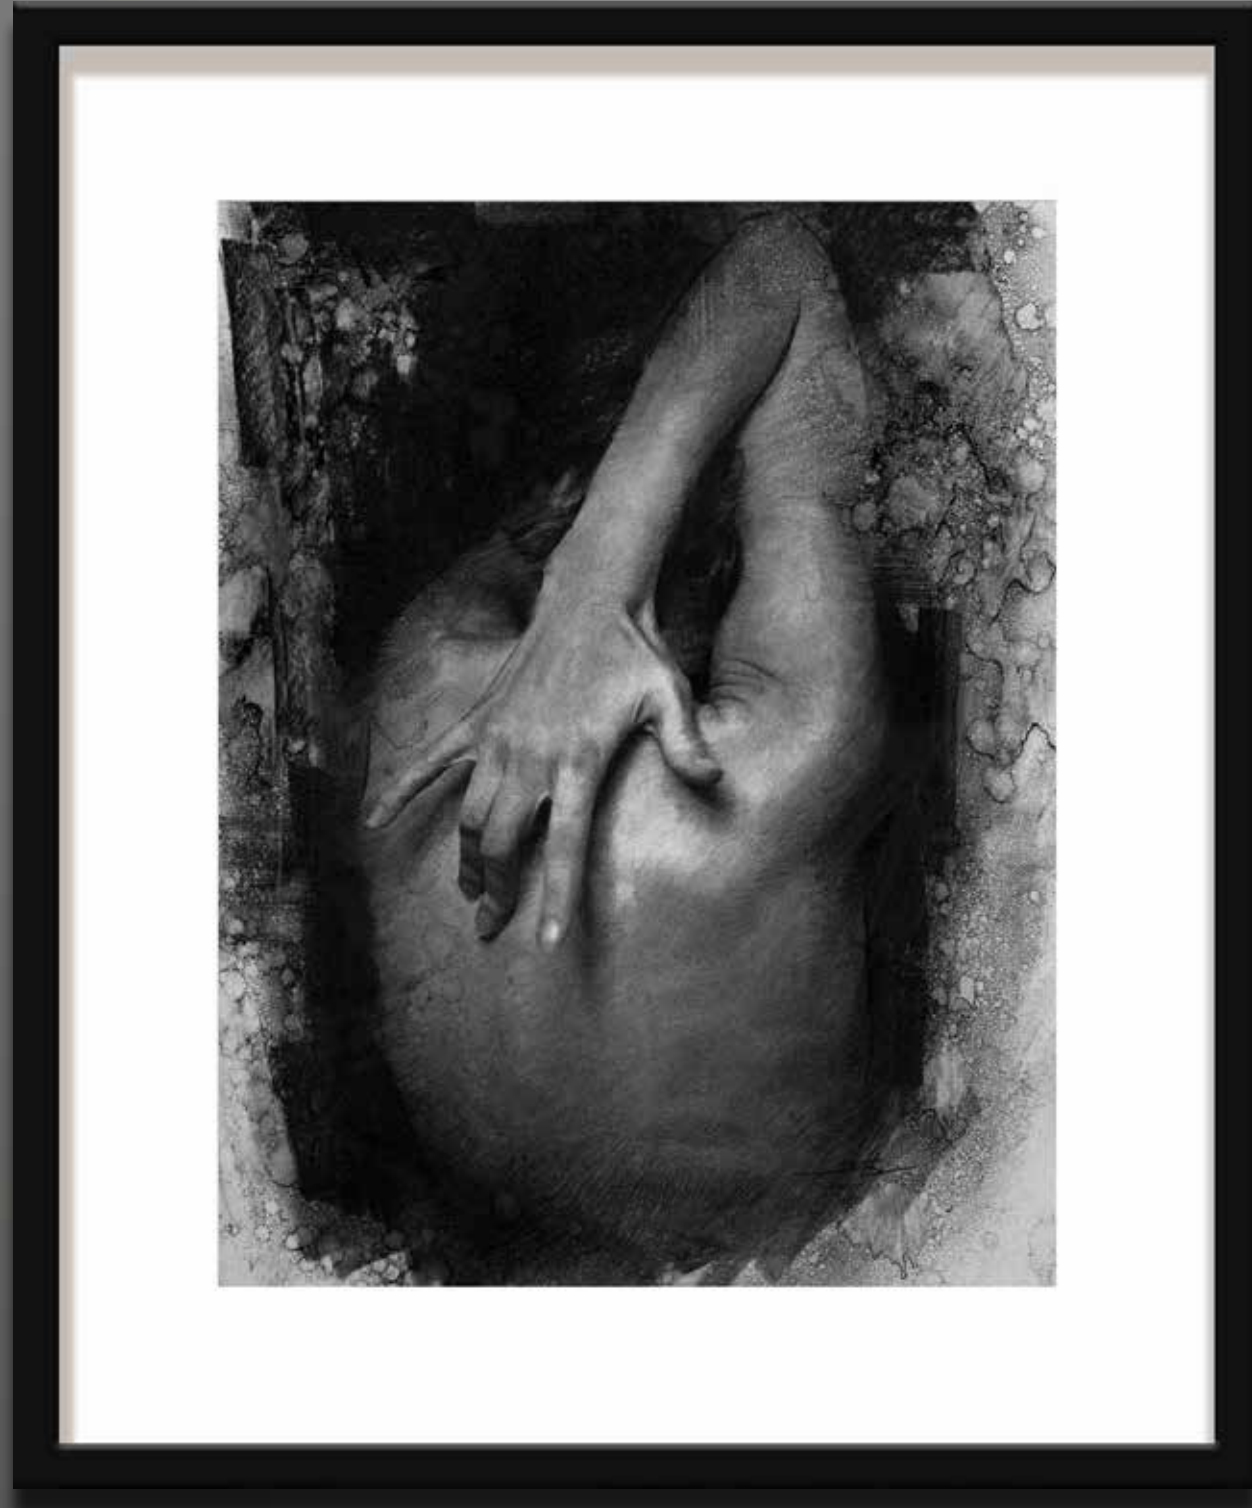

Arcadia Contemporary is proud to host the only U.S. stop for "Americans In Paris," a special and unique, bi-continental celebration of Paris by more than a dozen of this country's most esteemed, realist painters.

These artists, who earlier last year traveled to the French capital to study, paint, and be inspired together in the legendary "City of Lights," have all created works that draw from the architecture, fashion, poetry, music, literature, and yes, art of Paris.

Opening at Arcadia on May 12th and continuing through May 24th, this historic exhibition continues at the prestigious, Galerie L'Oeil du Prince in Paris with a new selection of works by a different group of artists.

A very special thanks is owed to Vanessa Rothe whose undying passion, tireless efforts and all around generosity brought this exhibition to life. Without her invaluable assistance and joie de vivre, this stunning display of timeless works never would have taken place. Merci.
