

THE PARIS SEMINAR COLLECTION

The Paris Seminar Collection

The following PDF file is an exclusive preview of “The Paris Collection 2015”. A rare and beautiful collection of thirteen works, including one work from each of some of the top young realist painters in America today.

Each piece is an example of the highest quality of work from the artist and together creates an exquisite and strong collection of fine art oil paintings. Each peice is also a typical example of subject and manner of each artist’s work and varies from finely blended, to painterly strokes.

In some cases one work is offered by the artist, in other cases the patron may get to choose 1 from the 2-3 that are offered., listed as ‘choice1-3’. Please note that this varies based on available work, time and work load for each artist.

This collection is offered for sale in conjunction with the Paris Seminar 2015 and its goals. Further information can be found on the website at www.parisseminar.com
